Hi Jack-

It's good to hear from you. Welcome back to school and of course U.S. FIRST. We're happy to have the Delco/Kokomo team back for the 1996 Competition.

Since e-mail is new to us, it will take a bit of time to collect our team members' addresses. For now we will continue to do global updates through phone, fax, and mail. As soon as we collect the addresses, e-mail will be added to the list. We do intend to have the team updates going out via fax and e-mail.

Your team number for '96 is 1. Perhaps it's an omen.

I look forward to working with your team this year. Good luck!

Regards,

Susan
